

Reading Challenges

Each year group will be given a set of reading challenges to complete throughout the year. If you manage to complete all the tasks by the end of the year you will receive a badge to display proudly. When you have completed a task you must prove to your teacher that you have achieved it and they will sign it off. There are four badges to collect. Good Luck!

Year 3

Challenges

Teacher Signature

Research how fossils are formed and present your findings as creatively as possible.

Using a cookbook, research a recipe and write a set of basic instructions on how to make it.

Visit the library and research Vincent Van Gogh. Write a summary of what you've found.

Use curriculum visions to complete research about the Stone Age. Present your findings.

Read or listen to a story on line or an e-book.

Read up about climate change and write a formal letter to Mr Scruton a change you would live to make within school to help the environment.

Use Curriculum Visions to research plants. Draw a labelled diagram of a flowering plant.

Design a front cover of your 'Sam Wu is NOT afraid of the Dark' book.

Read aloud to an older child in Years 5 & 6.

Take a photo of yourself reading a book in an interesting place in your local area.
